In addition, the advance payment may also include an amount equal to the estimated nonrecurring charges for the special construction and related recurring charges (if any) for a period to be set between the Company and the Customer. “Tax” or “Taxes” means any federal, state or local excise, gross receipts, value added, sales, use or other similar tax, fee, tax-like fee or surcharge of whatever nature and however designated, imposed or sought to be imposed, on or with respect to purchases by Customer or for the Company’s use of public streets or rights of way, which the Company is required or permitted by law or tariff to collect from Customer; provided, however, that the term “Tax” will not include any tax on the Company’s corporate existence, status, income, corporate property or payroll taxes.

The Company shall bill any and all applicable taxes, surcharges and fees, including, but not limited to: Federal Excise Tax; State Sales Tax; Municipal Taxes; Gross Receipts Taxes; and any taxes, surcharges, fees, charges or other payments contractual or otherwise, for the use of public streets or rights-of-way, whether designated as franchise fees or otherwise. Such taxes or fees will be itemized separately on the Customer's invoice or billing detail. If Customer fails to pay any Taxes properly billed, Customer will be solely responsible for payment of the Taxes, and penalty and interest.

Taxes and surcharges assessed on bundled services are based upon a model configuration and standard pricing for the individual product elements contained within the bundle. Modifications to standard pricing or to the model configuration may result in changes to the allocation of the bundle price to specific product elements. Details are available upon Customer request.

If either Customer or the Company is audited by a taxing or other governmental authority, the other party will cooperate reasonably by responding to the audit inquiries in a proper, complete and timely manner. Customer must pay the applicable Taxes to the Company until it provides a valid exemption certificate. If applicable law exempts a service from a Tax, but does not also provide an exemption procedure, the Company will not collect such Tax if Customer provides a letter signed by one of its officers; (i) claiming a right to the exemption; (ii) identifying the applicable law that allows such exemption and does not require an exemption certificate; and (iii) agreeing to indemnify and hold the Company harmless from any tax, interest, penalties, loss, cost or expense asserted against the Company as a result of its not collecting the Taxes from Customer.

2.7.1 Credit for Interruptions:

A credit allowance will be given for interruptions of 30 minutes or more. Credit allowances shall be calculated as follows:

Interruptions of 24 Hours or Less

<u>Length of Interruption</u>	<u>Interruption Period To Be Credited</u>

2.7.1 Credit for Interruptions, (Cont.)

Interruptions Over 72 Hours. Interruptions over 72 hours will be credited 2 days for each full 24 hour period. No more than 30 days' credit will be allowed for any one-month period.

2.7.2 General

- A. A credit allowance will be made when an interruption occurs because of a failure of any component furnished by the Company under this tariff. An interruption period begins when the Subscriber reports a service, facility or circuit to be interrupted and releases it for testing and repair. An interruption period ends when the service, facility or circuit is operative.
- B. If the Subscriber reports a service, facility or circuit to be inoperative but declines to release it for testing and repair, it is considered to be impaired, but not interrupted. No credit allowances will be made for a service, facility or circuit considered by the Company to be impaired.
- C. The Subscriber shall be responsible for the payment of service charges as set forth herein for visits by the Company's agents or employees to the premises of the Subscriber when the service difficulty or trouble report results from the use of equipment or facilities provided by any other party other than the Company, including, but not limited to, the Subscriber.
- D. For calculating credit allowances, every month is considered to have 30 days. A credit allowance for fixed recurring fees only is applied on a pro rata basis against the rates specified hereunder and is dependent upon the length of the interruption. Only those facilities on the interrupted portion of the circuit will receive a credit.
- E. Use of Another Means of Communications. If the Customer elects to use another means of communications during the period of interruption, the Customer must pay the charges for the alternative service used.

2.8 Cancellation of Service/Termination Liability

If a Customer cancels a Service Order or terminates services before the completion of the Service Term for any reason other than for a service interruption (as defined in Section 2.7.2.E), the Customer shall pay to Company termination liability charges, which are defined below. These charges shall become due and owing as of the effective date of the cancellation or termination and be payable within the period set forth in Section 2.6.2.

2.8.1 Termination Liability

In the event that the Customer terminates service prior to the end of the Service Term, or in the event the Company terminates service for Cause as specified in Section 2.6.3. above, the Customer's termination liability shall be 100% of the MRCs applicable to the service for the remainder of the Service Term. In the case of early termination of services which are billed on a usage basis, Customer must pay to the Company an amount equal to the average monthly usage charges billed for the terminated services during all previous months since the service was successfully installed and available for Customer's use, multiplied by the number of months remaining in the Service Term. The Company reserves the right to impose termination charges at a higher rate than stated hereunder if the Company incurs unusually high capital costs to provide or remove service(s) to or from the Customer's location. The Company also reserves the right to assess any documented charges from a third party that are directly associated with the Customer's request to terminate service.

2.9 Cancellation of Application for Service

Applications for service cannot be canceled without the Company's agreement. Where the Company permits a Subscriber to cancel an application for service prior to the start of service or prior to any special construction, no charges will be imposed except for those specified below.

2.9.1 Where, prior to cancellation by the Subscriber, the Company incurs any expenses in installing the service or in preparing to install the service that it otherwise would not have incurred, a charge equal to the costs incurred by the Company, less net salvage, shall apply, but in no case shall this charge exceed the sum of the charge for the minimum period of services ordered, including installation charges, and all charges others levy against the Company that would have been chargeable to the Subscriber had service commenced (all discounted to present value at six percent).

In such cases, the charge will be based on such elements as the cost of the equipment, facilities, and material, the cost of installation, engineering, labor, and supervision, general and administrative expense, other disbursements, depreciation, maintenance, taxes, provision for return on investment, and any other costs associated with the special construction or arrangements.

- B. A Company calling card is a telephone calling card issued by the Company at the Customer's request, which enables the Customer or user(s) authorized by the Customer to place calls over the network and to have the charges for such calls billed to the Customer's account.

An accepted credit card is any credit card that a cardholder has requested or applied for and received, or has signed, used, or authorized another person to use to obtain credit. Any credit card issued as a renewal or substitute in accordance with this paragraph is an accepted credit card when received by the cardholder.
